Tuesday 24th September 2024

Dear Parents,

We are very excited to share with you that on Tuesday 1st October 2024, the Wildlife and Education Centre 'Tropical Encounters' will be coming into school to do an interactive animal presentation with KS1.

This will give the children a wonderful, special first-hand experience to help enrich and support our 'Animal Antics' topic. There will be a variety of real animals for the show, from hot and cold climates. We are certain that the children will be completely entertained and will adore this opportunity!

As a school, we have subsidised part of the visit, so that the cost of this experience will be reduced to **£5.00** per child. Parents are asked to make this voluntary contribution towards the cost of the event by Monday 30th September 2024. We must stress if insufficient contributions are received, it may not be possible for the proposed event to take place. Any parent experiencing difficulty in making the contribution is politely invited to contact the school office.

Payment may be made on-line at www.schoolmoney.co.uk using a password sent via text message. Please remember to tick the consent box when making payment. If you have any queries please do not hesitate to contact us.

Thank you for your support,

The KS1 Team.
